

# History—Year 1—How have people’s lives changed over the last 70 years?

## Knowledge

History is all about things in the past.  
 The past has already happened. The present is happening now.  
 Lots of things have changed in our parents, grandparents and great grandparents lives. Some things have changed and some things have stayed the same.  
 Fashion and clothing was different in the past.  
 Transport has changed . Music has changed.  
 Homes and the things we use inside them looked different in the past.  
 A lot of things we have today are because technology is better.  
 We communicate with people differently now than what we did in the past.

## Timeline

Themes— Legacy and change.

The timeline consists of a horizontal line with seven circular markers for the decades: 1950s (yellow), 1960s (orange), 1970s (red), 1980s (pink), 1990s (purple), 2000s (blue), 2010s (teal), and 2020s (green). To the left is a large temperature gauge with a red needle pointing to 50 degrees. Below the timeline are three images of homes:

- A black and white photo of a kitchen from the 1950s.
- A color photo of a kitchen from the 1970s.
- A modern color photo of a kitchen from the 2020s.
